ATTENTION: Supplier Quality Personnel

**** Mitsubishi Power Aero LLC Specification Revision List ****

The Mitsubishi Power Aero Specification Revision List (SRL) documents the latest revision status of PWPS specifications and materials.

Suppliers are required by Mitsubishi Power Aero Specifications QA200 and ISQR-01 to establish and maintain a system for the control of specifications and other applicable data as stipulated on the PWPS Purchase Order to ensure that articles for PWPS are processed in accordance with PWPS requirements.

Mitsubishi Power Aero and non-Mitsubishi Power Aero document revisions shall remain in effect at the placement date of the Mitsubishi Power Aero Purchase Order. Suppliers are not required to comply with subsequently published new or revised specifications except as reflected by a change to the Purchase Order. Suppliers may work to later specification revisions provided there are no increases to the Purchase Order price.

It is the responsibility of the supplier to obtain copies of non-Mitsubishi Power Aero documents specified by the drawing or Purchase Order.

Suppliers shall review this Specification Revision List publication to assure that the correct Mitsubishi Power Aero specifications are being utilized for delivery of product.

Mitsubishi Power Aero specifications are available to our suppliers based on valid requirements. Those requirements consist of specifications imposed on the Purchase Order and/or Quotation. In order to help us expedite your request for specifications, you must provide the exact specifications required with associated Material/Part Number(s) and/or Purchase Orders /Quotation Number(s).

Requests must be forwarded directly to the cognizant Mitsubishi Power Aero Procurement Representative.
